

YOUR Hwb
love where you live

Your Hwb Handbook

Your Hwb advert artwork should be a high resolution PDF or JPEG, following these specifications:

- Set up your advert to the correct size (eighth, quarter, half or full page)
- Colour – CMYK
- Resolution – 300dpi
- Fonts – embedded (or convert type to outline)

For full page adverts you will also need to include:

- Bleed – add an extra 3mm to all edges

Safe area – allow an 8mm margin on all sides (don't set your copy too close to the edge of the page)

Your Hwb Online

We use high resolution images in all our online articles:

- Photographs – please supply a JPEG file, 2000 pixels wide x 1000 pixels deep.
- Logos – should be supplied as JPEG or PNG file, 300 x 300 pixels square.
